Krimes reveals that the electric bill was the highest it has been in months, eluding to the electric bill zip file

Pelon asks Blake Paulie if he's willing to promote the space launch to his fans. Blake responds angrily as he blames Pelon for the Bitcoin dip.

Hogan Paulie finds out his brother was being very rude and decides to apologize to Pelon. To make up for his brother's actions, Hogan agrees to help Pelon promote his launch.

Geoff Pesos and Pelon wish each other luck on their Space launches happening during the week. Both brag about their Engineering teams. Pelon jokes around Pesos needing more time to finish developing his engines.

Phishing email from Planet Earth Commitee asking to claim prize

Olive Rodriguez responds a bit different than Blake and happily agrees to help promote the space launch. She even mentions making a song for the launch.

Brandad reaches out to Pelon to ask about his "secrets for success" for his upcoming space launch. Brandad wants to be like Pelon but does not want to admit it. Brandad also has ce launch happening this week.
