## Emails

Phishing email

from Planet

Earth Commitee

asking to claim

prize

Olive Rodriguez

responds a bit different

than Blake and happily

agrees to help promote

the space launch. She

even mentions making a

song for the launch.

Brandad reaches out to

Pelon to ask about his

"secrets for success" for his

Brandad wants to be like

Pelon but does not want to

admit it. Brandad also has

a space launch happening

this week.

Brandad and

pelon visit each

other on the

weekend of June

upcoming space launch.

Krimes reveals that the electric bill was the highest it has been in months, eluding to the electric bill zip file

Pelon asks Blake
Paulie if he's willing to
promote the space
launch to his fans.
Blake responds
angrily as he blames
Pelon for the Bitcoin
dip.

Hogan Paulie finds out his brother was being very rude and decides to apologize to Pelon. To make up for his brother's actions, Hogan agrees to help Pelon promote his launch.

Geoff Pesos and Pelon wish each other luck on their Space launches happening during the week. Both brag about their Engineering teams. Pelon jokes around Pesos needing more time to finish developing his engines.
